INFORMATION OF INTEREST TO YOU

BEACH TOWELS

Upon arrival you will receive 1 ticket per person. Beach towels can be collected **by ticket** from 9 am to 7 pm at the Alisei Spa.

Upon check-out you must return the tickets or towels to reception: loss of the ticket or towel will incur a charge of US\$ 20.

Help reduce chemicals!

Use them for more than one day by drying them on the back balcony of your apartment.

ELECTRONIC KEYS

To open the door, swipe the card in front of the lock or in front of the black plate (floor below):

The lock opens for 5 seconds and then closes automatically.

On the floors below, there is a plate inside that opens the door just by touching it (the key is not necessary): check that the crown of the window does not make contact because this would open the door and, if continuous, even short circuit.

For your safety, the key does not have a room number. In case of loss, we regret having to charge you RD\$ 100 for the electronic card, but there is no danger: at the reception it will be easily cancelled and replaced by another.

The same key is necessary to activate the electric power. Insert it into the plate placed next to the door. When you remove the key, you will have 15 seconds of light to leave your apartment.

The refrigerator, however, will NOT be disconnected.

Electronic devices (phones, TVs, etc.) can cause the keys to become unstable. Keep the keys away from them.

LAUNDRY

The laundry service operates in the morning. You will find a laundry list in the apartment. Fill out the list with the quantity and type of items and call reception to collect them. Clothes are only received until 12:00 noon and will be returned the same day before 5:00 pm.

POOL

The pool does not have a closing time, but the peace and quiet of all guests must be respected.

If you use it at night, it is more risky than during the day, so it is not recommended.

Children must be **CONSTANTLY** supervised by an adult.

FOR SAFETY REASONS, PERSONAL ALCOHOLIC BEVERAGES ARE PROHIBITED IN THE POOL AREA.

PRIVATE MUSIC EQUIPMENT IS PROHIBITED IN THE POOL AREA.

Diving headfirst off the edge is prohibited.

SAFE BOX

The safe deposit box service is included in the accommodation rate. We have 2 types with different operation:

Light color box:

- Enter a 4-digit number and press #.
- Those 4 figures will be the code to open (without #).

Black box:

- Program a new code: press the red button inside, on the side of the door, enter 4-8 digits then #.
- Close manually. To open, type: # 4-8 digits #.

CHECK OUT

Delivery time is 1.00pm. If you wish to stay longer, ask at reception: if the apartment is not reserved, they will gladly authorize later departures up to 4.00pm at no additional cost.

On the day of departure, the bill for any extras must be verified and paid in the morning before 11:00 am. It is not possible to charge tickets on account on the day of departure.

Due to the complexity of the apartment, please notify 15 minutes before leaving, to have time to carry out check-out controls

Upon departure, it is mandatory to bring all keys and towel tickets to reception, confirm delivery of the apartment and verify the account balance.
